Foster families, adoptive families – all families involved with Hastings Children's Aid Society – will be lacing up their skates in North and South Hastings and Quinte West in celebration of Family Day on February 15.

“Family Day is all about families spending time together and there's no better way to spend some quality family time than going skating,” said HCAS Resource Supervisor, Janet Vintinner. “Along with the chance to spend an hour on the ice we'll have lots of refreshments on hand to add to the fun. It's going to be a great day and we expect a terrific turn out.”
